## What has been happening in the sixth form?

### Head Student Elections

We are delighted to announce the appointment of Abigail as Head Girl, Theo as Head Boy, Hallie as Deputy Head Girl and Rhys as Deputy Head Boy. The election was closely fought and we were so impressed by the maturity, confidence and respect shown by all the candidates throughout the election. Congratulations to our new Head Student Team.

## J6th Prom Friday 28th June 2024 at Cave Castle Hotel

The annual J6th Year 13 Prom took place on Friday 28th June at Cave Castle Hotel. The sun was shining and a great evening was had by all. We were very proud to celebrate the end of the exams with our year 13 students and we look forward to seeing them all on A Level results day on the 15th August.

Year 12 students have all been supported to create their UCAS accounts and to begin preparations for applying for universities next term. All students are encouraged to explore their options further over the holidays and to begin to put together their personal statement and university choices. The J6th team is very happy to support students during the process; please see any member of the team.

## J6th Induction Days

The J6th Team welcomed year 11 students from Beverley High School, Beverley Grammar School and many other schools from all over the country to our annual J6th Induction Days. Students had the opportunity to discover what life would be like in the J6th as taster sessions were taught by the J6th teachers. Students were invited to sign up for the annual J6th trip to London, the Duke of Edinburgh Award and the teambuilding event at Allerthorpe Lake. It was a great atmosphere and we are looking forward to welcoming students back to 6th form as Year 12 students in September.

## Apprenticeship Opportunities

The J6th Team regularly updates the student Google Classrooms with all of the apprenticeships which are being advertised regionally and nationally. Students are made aware of opportunities and the deadlines which they need to be aware of if they wish to apply. The J6th Team are happy to help any student with the application process as each company has their own procedures. Here is a useful website for more information on apprenticeships <https://www.ucas.com/apprenticeships>

## Career Advisor Appointments

We are very fortunate to have 2 independent Careers Advisors who work for the J6th, Mrs Darvell who is situated at BGS and Mrs Howard who works remotely for BHS. If any student would like an appointment please see Mrs Darvell or Mrs Cooper today who will be happy to arrange.

## Congratulations Cosima!

The 6<sup>th</sup> form Team has been congratulating one of their students this week. Cosima was made aware of a competition that the University of Warwick was running by one of her J6th Science teachers. The entry process consisted of researching a scientist of their choosing, about how findings from XMaS can be useful for society and why going on a trip to Grenoble would be a good thing. Only 16 places were available offering an all expenses paid trip to the European Synchrotron Radiation Facility in Grenoble, France. Congratulations Cosima, we are very proud of you for winning a place!

## Year 12 trip to University of Hull - This is Hull Event

On Tuesday 12th July the whole of year 12 attended the annual This is Hull event at the University of Hull. Students had the opportunity to experience uni life which included various workshops and presentations, the programme was extensive. Students particularly enjoyed sessions across a wide range of subjects including the Faculty of Business and Law and Politics, the Faculty of Health Science and the Arts, Cultures and Education. A lot of the sessions were interactive and the Faculty of Law ran a 'Danger in the Honeymoon Suite' session in the Lady Justice King Courtroom which captivated a lot of interest. We are very grateful that we have a strong link with our local university and that we are able to offer our J6th students this opportunity.

## Election Fever

It was election fever as the students were given the opportunity to vote in the mock school elections which took place on both sites on Thursday 4th July the same day as the UK General Election took place. Students learned the fundamentals of elections, opinion formings, campaigning, debating and voting which in turn promotes critical thinking, enhances research skills and informed decision making. It was a memorable experience within our school community.

## Cambridge Humanities Workshop

Ellie, our Schools Liaison Officer from King's College, Cambridge visited school on Tuesday 25<sup>th</sup> June to deliver a Humanities workshop to Year 11 and 12 students. The students analysed and discussed a recent newspaper article and enjoyed the opportunity to experience tutorial-style learning.

## Key assembly and tutor session themes this term

### Year 12

Year 12 has focused on university and apprenticeship applications this after term. We will also be celebrating Year 12 successes at our Annual Year 12 Awards Assembly.

### Message for Year 11 students

It is not too late to apply to join us in September 2024. Please go to our website and follow the link to secure your place today [www.beverleyj6.co.uk](http://www.beverleyj6.co.uk) . Check out the summer work too!

### New J6th Website under construction

We are so pleased to share with you some photographs which have been taken for our new exciting website which is being launched in September.
