

5th March 2019

Dear Parent/Carer,

You are invited to an open evening on 28th March at Beverley High School from 4.00pm to 5.30pm with the aim of introducing Year 11 and Year 12 students to our provision for early entry students: Oxbridge, a wide variety of medical related professions, Veterinary Sciences and Dentistry.

The evening will open with refreshments and an address from the Headteachers of Beverley Grammar and Beverley High School, followed by an opportunity to attend a carousel of speakers in the relevant fields. We have invited a range of ex-pupils, as well as existing Year 13s to talk about their experiences of the application process, in addition to key contacts in industry and Hull York Medical School. Sixth form staff will also be available to answer any questions and to provide further guidance.

The evening will also see the launch of our new mentoring scheme through which we will be matching current Year 11 and 12 students with ex J6th students who are now undergraduates. Students will be able to communicate with mentors through a monitored email address.

If you would like to attend the event, please fill in the reply slip below detailing the number of attendees and return to the office at Beverley High School by Friday 22nd March. We look forward to welcoming you on 28th.

Yours sincerely,

Miss. Butlin

Miss. Gardiner

✂.....

Oxbridge and Medicine open evening

I requireplaces (student + parents/carers) at the Oxbridge and Medicine open evening on 28th March.

I agree/ do not agree to my child participating in the mentoring scheme
