Dear Parent/Carer

**Opportunities Post 16 Evening - Wednesday 9 October 2019**

As you are aware your child will soon be making some very important decisions about their future education or career.

In order to help them make an informed choice it is important that they investigate all avenues open to them. With this in mind, Beverley High School and Beverley Grammar School will be holding a Joint Sixth Form Open Evening on Wednesday 9 October. The venue is Beverley Grammar School and all Year 11 students are invited to attend with their parents between 6.00pm and 7:30pm.

A brief talk will be given at 6.00pm in the main hall in order to introduce parents to what the Joint Sixth Form has to offer.

Information on all courses will be available during the evening. Sixth form teachers and current sixth form students will also be available to give you the information you need and to answer any specific questions that you may have.

We look forward to seeing you at the Open Evening.

Yours sincerely
