

BEVERLEY JOINT SIXTH

### PROVISIONAL CHOICE OF YEAR 12 COURSES FOR SEPTEMBER 2020

- In the grid overleaf are the subjects that may be available to students entering Year 12 in September 2020. There have been some changes since the first consultation with students; some subjects have been added to the options and some have been removed
- They have been arranged in 4 blocks that will allow students to access popular combinations of subjects and a broad range of subject areas. The choices that students indicated in the first expressions of interest have been taken into account
- **It may be that some of these subjects will not eventually be on offer in September if insufficient students opt for them**

#### To complete the form (on the reverse of this sheet)

- Fill in your personal details in the space provided
- Select the **3** subjects you wish to study from the 4 blocks of choices
- It is expected that most students will take 3 subjects in the 6<sup>th</sup> form. We are happy to discuss the possibility of taking 4 subjects if students are interested in this option; please indicate on your form what your 4<sup>th</sup> subject would be and your reasons for studying it
- **You should pick no more than one subject from any subject block**
- If you have difficulty in fitting your choice of subjects into the blocks, please use the space at the bottom of the page to give details of your problem
- Indicate your preferred choice of Enrichment option.

The deadline for this provisional choice form is Friday 14<sup>th</sup> February 2020

All students who have expressed an interest in joining the 6<sup>th</sup> form will be invited to an interview in the next few weeks to discuss their options.

Forms should be returned by hand or by post (FAO Head of 6<sup>th</sup> Form) to the main office of either Beverley Grammar School or Beverley High School by Friday 14<sup>th</sup> February 2020
