

J6th News & Events

November 2019

J6th Open Evening

We are delighted with how our open evening went and the number of students who came to have a look around. It gave current Year 11 students, from both schools and also external students, the chance to meet students, teachers and also get a feel of what it would be like to be in the J6th. If any students or parents would like to know more, please get in touch with a member of the J6th team. Alternatively, our website has now been updated with the relevant information so please visit

www.beverleyj6.co.uk

UCAS applications

Its that time of year again, when our year 13 students are starting to choose where they want to apply and also starting to submit their applications to UCAS. We are delighted that so many students have already submitted their applications and that so many are already receiving offers. Please remember that the J6th team are here to help with any questions about your application.

The Apprenticeship Pathways Event

This event will take place this year at Bishop Burton College on Wednesday 27th November and is an excellent way to find out about what apprenticeships are on offer in the local area. Any Year 12 or Year 13 student interested in attending the event should contact a member of the J6th team.

Y12 Allerthorpe Team Building Day

All Year 12 students were off timetable on Wednesday 25th September for a day of problem solving and team building activities at Allerthorpe Lake. Lots of fun was had by both students and staff and all students conducted themselves superbly. It was also a fantastic opportunity for Year 12 students to get to know each other and the staff who will be supporting them this year. Thank you very much to all the staff from Allerthorpe Lake, East Riding of Yorkshire Outdoor Learning team and the staff from both sites who gave up their time to support the event.

J6th Football Team

BEVERLEY
BUILDING SOCIETY

Est.
1866

The J6th Football team have secured sponsorship from Beverley Building Society, which has allowed the team to update their kit for the 2019/2020 season. Big thanks to Beverley Building Society. It's great to see links between the J6th and local companies! Photos of the kit to follow on our twitter page and website. The J6th are also pleased to announce that they are entering a new AOC college football league, with the J6th winning their first two games.

They have also been entered in to the national cup for the first time. They had their first round game on Friday 18th October away against St Marys. It was a superb match between two very good sides, with the J6th coming out on top with a 3-2 win, which sees them progress to the second round, with Hessle awaiting. Credit to all students involved, who conducted themselves fantastically.

J6th Rugby Team

The J6th rugby team has managed to secure sponsorship from a local company, Risby Homes. Hopefully this will allow the rugby team to continue growing and allow it to become a permanent part of the J6th. Massive thanks to Risby Homes for the sponsorship. Photos of the kit to follow. The J6th rugby team's first match this season is away at Hull Collegiate on December 4th.

J6th Student Successes

Congratulations to Ryan Hilton in Year 13, who has represented England Community Lions Youth team in Rugby League. Ryan has now been involved in a couple of matches. Massive well done to Ryan, a huge honour representing your country in any capacity.

Fantastic news!

Congratulations to four of our sixth form students who represented the school for Cross Country at the East Riding Championships, at Cottingham School. All students performed very well in cold conditions and against equally strong runners from other nearby schools. As a school we did fantastically, managing to achieve 1st, 2nd and 3rd in the race. Well done to Harry, Owen, Josh and Connor.

Six students from the J6th managed to secure a fantastic four day work experience at the GCHQ Ground Station in Scarborough. They have been involved with a variety of tasks, including learning Russian and also winning a computing competition, despite none of them studying Computer Science. Well done to Caitlin, Tom, Eddie, Emily, Hayden and Alex.

Congratulations to Roisin Gorry (middle in group photo) who came 5th in World u17 girls individual biathlon (1200m run & 200m open water swim). Roisin also competed in the mixed relay, and her and her partner came fourth overall. Rosin's biggest achievement was being part of the GB team, with the 3 girls involved winning gold, which is a fantastic achievement for all involved! Huge congratulations to Roisin and one she should be incredibly proud of!!

J6th London Trip

We are excited to be taking 25 students to London for a weekend at the end of November. We are looking forward to visiting the British Museum, Spitalfields Market, Southbank, the Sky Garden and lots more.

Year 12 and Year 13 visit to Winter Wonderland at York Designer Outlet

Students have received information this week about our Christmas visit to York Designer Outlet where students will also have the chance to go ice skating. The visit will take place on Tuesday 10th December leaving school at 3.45pm and returning at 9.30pm. Full details are in the letter available on our website. Please return any slips to either Miss Cooper or Mr Wright.

Careers Advisor Appointments Available

Career Advisor appointments are available for all students. If you would like an appointment to discuss your future aspirations, please ask Mr Wright or Miss Cooper to arrange this.

www.beverleyj6.co.uk

Please visit our website. A wealth of information is available on everything from Year 12 examination timetables to guidance on University applications. Information about our subject choices is also available for any year 11 student or parent.

Twitter

Keep up to date with all guest speakers and sporting events and lots more as they happen in the J6th by following our twitter account: [@beverleyj6](https://twitter.com/beverleyj6)

Reporting absences

Please ensure any absences are reported as soon as possible using the link below:

Year 12 Tutorial Time

Every Wednesday Year 12 students spend one hour with their tutors and so far this term we have covered a wide range of topics such as writing a CV, the super-curricular, work experience, mental health. In addition, just before half term, students took part in a newspaper competition with some fantastic entries (see below). This half term we look forward to welcoming Price Waterhouse Coopers, Hull University and Hull and East Yorkshire NHS Trust in to school to talk to our students.

Starting to plan revision? Keen to look ahead and try some past papers?

Remember that full details of the courses for each subject as well as the examination board used are available on our website.

The SUPER CURRICULUM at The J6th

The Super Curriculum is a structured way of 'going beyond' your subject in an academic way. It focuses on intellectual curiosity which goes beyond the curriculum building proactive, independent and self motivated students. All students are expected to commit the J6th Super Curriculum, more details can be obtained from the BHS J6 Office.

Year 12 Work Experience 29th June to 3rd July 2020

All students at Beverley J6th Form will complete a week of work experience during their time in the 6th form. Why undertake work experience you may ask? Students with good work experience are seen as more knowledgeable, more confident and committed by University Admissions Officers and Employers. A Work Experience Handbook has already been issued to students which gives a step by step guide on how to secure some experience.

Beam Ambassadors Wanted!

The J6th are working towards making the 6th form a welcoming place for all regardless of their sexual and gender identity. We want the 6th form environment to be respectful of difference and a place where everyone is free to be proud of who they are. If you are interested in becoming a Beam Ambassador please speak to a member of the BHS J6th Team today.

Student/Pastoral Support

If you have an issue or query that is not related to an individual subject, please contact either pastoral manager; they are always happy to help:

Beverley High Pastoral Manager: Miss Cooper a.cooper@beverleyhigh.net

Beverley Grammar Pastoral Manager: Mr Wright s.wright@beverleygrammar.co.uk
