A message from the Joint 6th Team

Staying well during revisions and exams

- 1) Take a moment to breathe (attend Mrs Hepworth's exam relaxation sessions)
- 2) School offers support, just ask!
- 3) Balance revision with socialising and hobbies that you enjoy
- 4) Prioritise healthy meals and sleep

Sixth Form Football Team

A goal fest of cup football versus Driffield School. Beverley J6 started the brighter, going two up only to be pegged back to 2-2 at half time. Two more goals from both teams in the second half, an equaliser by Driffield in the last minute 4-4. Penalties... five players from both teams courageously stepped up to take a penalty. Misses from both teams 5-5. Sixth penalty takers from both teams score, Beverley missed their seventh and an accurate penalty from Driffield gave them the win. A great game of football - well done *Josh Thorpe, Oliver Taghoe, Riley Brumpton, Zac Whitaker, Harvey Chatfield, Louis Hatch, Jack Parker, Elliot Bean, Harry Bearpark and Jack Kendrick.*

Gold Duke of Edinburgh

Ten Year 12 students took part in their first Duke of Edinburgh expedition from 12th to 13th March. They walked over 30 kilometres and camped overnight in the Yorkshire Wolds. The students coped really well in cold and windy conditions and demonstrated impressive navigational and camping skills. Their next expedition will take place over three days and two nights in the Yorkshire Dales before they complete their final expedition in the Lake District in the summer. Students are also involved in an impressive range of other activities in order to complete the other sections of the award. These range from volunteering at a dairy farm to learning viola and supporting younger students in their language lessons.

Work Experience

We are delighted that Year 12 students are this year able to take part in work experience placements in the week beginning 4th July. Students have impressed us with the resilience they have shown; securing placements has not been straightforward as businesses have adapted their working practices post-Covid. Despite this, students will be taking part in an impressive range of opportunities including shadowing an MP, a dentist and a radiographer and spending time in local primary schools and care homes. Well done Year 12 for securing such a wide range of exciting opportunities.

Year 13 Prom

Parent Pay is now open at both schools for students and staff to pay for their prom ticket. The event will take place on **Wednesday 29th June** and promises to be a fantastic way for us all to celebrate the end students' time in the 6th form together. **Deadline for payment is Friday 6th May.**

Exam Preparation

If you would like support in creating a study plan, please contact Miss Cooper BHS or Mrs Hepworth BGS.

Top tips for revision: Make a plan, read examiner's reports, use past papers, be prepared, make it manageable, think little and often, take regular breaks and look after yourself.

The J6th Discuss

The J6th Discuss is a half-termly opportunity to investigate a multi-disciplinary topic through individual research, online lectures and resources and in-person debates. This half term we will be focusing on *The post MeToo world*. These resources have already been shared with students who will be meeting later this half term to discuss the issues raised.

Signing in/out

Students must make sure they are signing in at both schools and also signing out at the end of the day or if they go off site for any reason during the day. Please also wear your lanyard at all times!

Communication

It is essential that all students check their email every working day as important messages are communicated regularly using email. In addition, please check your subject Google Classrooms regularly. Please ensure any absences are reported by using the link below:
